

Product: AeroVac X20 Vacuum Cleaner

Review 1:

"This vacuum is powerful! I cleaned my entire 2BHK in 30 minutes. The battery lasts long and it's not too noisy."

Review 2:

"A bit bulky and hard to carry upstairs. However, the suction power is unbeatable and it picks up pet hair perfectly."

Review 3:

"Love the accessories included. The crevice tool works great for sofa edges. Wish it had a wall mount though."
